

## SIMPLICITY PLUS™

### Relativity + Processing Managed by Integreon

Litigation and e-discovery are challenging enough without the headaches of managing technology. With **Simplicity Plus™** from Integreon, you won't have to. For a simple monthly fee, you gain access to kCura's Relativity and other leading technologies, while we apply over a decade of experience and ISO-certified best practices to processing, hosting, production and project management. When e-discovery gets complex, the solution is Simplicity Plus.

### ADVANCED TECHNOLOGY, WITH COST CERTAINTY

Simplicity Plus from Integreon delivers the power of Relativity and other best-of-breed technologies without the cost uncertainties of purchasing and supporting hardware, licenses, and other IT infrastructure. Our professional services team also routinely vets newer technologies to ensure our ability to meet your evolving needs.

### ELIMINATE YOUR CAPITAL EXPENDITURES

With Simplicity Plus, there's no need to invest in IT systems that can become obsolete within months. We have invested heavily in the flexible infrastructure needed to securely host and manage even the largest data volumes – and as your requirements change, we are ready to scale with you.

### SIMPLIFY YOUR BILLING WITH SUBSCRIPTION-BASED PRICING

Our subscription-based pricing provides simple and predictable costs, in addition to dramatically reducing your upfront investment in technology. By fixing the costs for processing, hosting, production and project management, you gain improved budget visibility needed to make better-informed litigation decisions.

### EXPERIENCE AND QUALITY MAKE THE DIFFERENCE

Integreon's certified Relativity and Project Management Institute (PMI) professionals have Six Sigma Black Belt expertise and years of experience supporting thousands of e-discovery service and technology implementations. We provide up-front database designs, cost-effective solutions and customized best-practices. Our experience and consultative approach help ensure we provide you with consistently high quality service and responsive support.

### SIMPLICITY PLUS™ ADVANTAGE

- ◆ No Relativity licenses to buy
- ◆ Scalable with your litigation requirements
- ◆ No hardware to buy and no IT infrastructure to maintain
- ◆ Predictable, fixed monthly fees, with no per-gigabyte charges

## INTEGREON SIMPLIFIES LEGAL DISCOVERY TECHNOLOGY AND SERVICE

### Flexible, Advanced E-Discovery Processing and Production

- ◆ Integreon's team of experts will help you to select from an e-discovery toolkit of market-leading technologies. Our integrated process provides the data culling and throughput you require for the fastest, highest-quality processing and production available. In addition, a state-of-the-art colocation allows for flexibility and scalability should your case or project requirements change. We also continually vet newer technologies to ensure our ability to meet your evolving needs.

### Relativity for Hosted Review

- ◆ Integreon offers the industry-standard litigation review platform, kCura's Relativity, which provides a familiar, easy-to-use platform to handle even the most complex case analysis, review and production requirements.

Integreon also provides a unique Relativity offering compared with that of other providers. Through our years of supporting the platform, we have developed add-on capabilities that serve to enhance the review experience.

### Available Managed Review with Multi-Lingual Support

- ◆ In addition to the core technologies and service offered through Simplicity Plus, Integreon can also provide managed legal review of client documents on an hourly or per document rate. We have years of experience providing document review for Fortune 500 and AmLaw 100 firms throughout the world. From our facilities in the US, UK, India and the Philippines, we provide the rapid turn-around and seasoned reviewers at the price point you need. Our review staff is comprised of attorneys, and our review teams are led by project managers with experience across a wide variety of industries, subject areas, and jurisdictions.

Foreign language reviews are a specialty at Integreon. We deploy teams of multi-lingual reviewers, enabling us to support legal reviews in more than 50 languages.

### Accountable Solution Management You Can Trust

- ◆ With Integreon, you will have a single point of contact with accountability, providing a familiar face who will ensure your needs are met and your issues resolved quickly. You can trust our expertise and global capabilities to provide effective e-discovery solutions with the flexibility and certainty you require for litigation processes, technology, time and costs.

Contact us today to discover Simplicity Plus from Integreon.

### About Integreon

Integreon is a trusted, global provider of award-winning, legal, document, research and business support solutions to law firms, corporate law departments, financial institutions and professional services firms.

Our 2,200+ Associates work from delivery centers around the world to support more than 250 clients in areas such as legal process outsourcing, litigation support, discovery and disclosure, document review, contract management and review, regulatory compliance, operating model transformation and back office redesign.

Integreon has won more than 40 industry awards over the past five years and supports its global client base from onshore and offshore delivery centers across the US, UK, India, China, the Philippines, and South Africa.

### What We Do

We're redefining the way forward-thinking organizations operate in today's global economy. Our legal, document, research and business support services deliver transformative results, enabling clients to save time, energy and money while focusing on what they do best.

Our legal services team puts a world of experience at your command, with award-winning solutions, including e-discovery and document review, contract review and management, due diligence and compliance through our global network of delivery centers and resources across five continents.
