

Case Study

Contract Review for a Leading Consulting Firm

Challenge

- Legal department needed quick turnaround of NDAs
- In-house legal team over burdened with standard Consulting and Master Services Agreements impacting business and product development
- Huge backlog in update of Legal Repository
- Lack of standardization in review patterns across different locations

Solution

- Offshore dedicated team of a small team of attorneys to perform first level contract review
- Legal assistance available for extended hours 6 days a week
- Jointly create an Operations Manual detailing standard processes and substantive knowledge
- Seamlessly access numerous client resources including their Legal Repository

Impact

- **In-house attorneys were freed** for complex, high-end work
- **Extended coverage** for EMEA and APAC regions
- **Standardization** of contract review processes
- **Repository updated** within two months
- **More than 50% cost savings**
